

MISSISSIPPI MUNICIPAL LEAGUE

Hall of Fame

The Mississippi Municipal League Hall of Fame was created to honor those municipal elected board members, mayors, aldermen, councilmen, and selectmen who have served twenty years or more as a municipal elected official.

Applicants, living or deceased, must have completed twenty years of municipal elected service as of June 2023 to be inducted this year. Inductees will be recognized at the Mississippi Municipal League's 2023 Annual Conference on the Mississippi Gulf Coast. The honorees' names will be placed on a permanent plaque at the MML office, and a biography will be printed in *Mississippi Municipalities* magazine. Years of service do not have to be consecutive. Recognition will be one time per individual.

In addition, as an inductee of the MML Hall of Fame, you will be honored with a breakfast on Wednesday, June 28th at 8am along with other Hall of Fame members at the Mississippi Gulf Coast Coliseum.
